Spotlight: February Highlight

We kicked off the year with a bang by hosting our very first Youth Empowerment Webinar, "How to Build a Personal Brand!"

It was an inspiring and practical session, filled with real conversations about leadership, growth, and carving out your unique place in the world. We were honored to have Atinuke Babatunde lead the session. She shared powerful insights on building confidence, stepping into leadership, and creating a personal brand that truly reflects your purpose and potential. Her words were a powerful reminder that the future belongs to those who boldly tell their own stories.

If you missed it, don't worry! You can still catch the full webinar on our YouTube Channel. Be sure to subscribe to stay updated on upcoming events.

Spotlight: March Highlight

In March, we had the pleasure of featuring Dr. Folashade Adeyemo in our Entrepreneur Spotlight series. During the session, Dr. Adeyemo shared her inspiring journey of balancing academia, business, and leadership. She spoke candidly about resilience, personal growth, and how to navigate change in an ever-evolving world.

Her story was a powerful reminder that success isn't about choosing one path, it's about embracing the fullness of your passions and building a life that reflects them. Catch the highlights [here](#)
