In Case You Missed It: Youth Empowerment Webinar 2.0

In July, we hosted Youth Empowerment Webinar 2.0, a timely conversation on stress, burnout, and mental health. Our guest speakers:

- Mr. Abiodun Oguntola (Mentally Aware Nigeria Initiative - MANI)
- Mr. Onyekachi Okonkwo (Psyche Alley Clinic)

They shared practical tools for managing pressure while navigating adulthood and career growth.

Update: Internship Programme

Back in June, we launched our Internship Programme, an initiative designed to connect students with real workplace experience.

After a careful selection process, several students have now been matched with internship placements, beginning this September. We couldn't be more excited for them as they take this next step in their personal and professional journeys!
