

Newsletter

Welcome to the March Edition of Creceer Africa's Newsletter!

March is a month of growth, reflection, and action. As we continue through 2026, Creceer Africa remains focused on empowering young people with the skills, guidance, and opportunities they need to build sustainable futures.

This month, we spotlight youth entrepreneurship, digital innovation, and the role of women in shaping inclusive growth.

UPCOMING EVENT: YOUTH EMPOWERMENT WEBINAR 4.0

We're excited to invite you to Youth Empowerment Webinar 4.0

Theme: From Idea to Enterprise – Building Scalable Digital Ventures

Date: March 14, 2026

Time: 11:00 AM – 1:00 PM

This session is designed for young creatives, founders, and digital entrepreneurs who want to move beyond ideas and start building ventures that can grow, adapt, and last.

Meet the Speakers

Mr. Jide Ayegbusi

A seasoned sales and marketing leader with experience across insurtech, edtech, and consumer sectors. He brings practical insights on growth strategy, market positioning, and scaling in competitive environments.

[View Jide's LinkedIn.](#)

Dr. Toye Sobande

A specialist in strategic leadership, talent development, and executive coaching. His expertise helps founders build strong leadership foundations for sustainable enterprise growth. [View Dr. Toye's LinkedIn](#)

Don't miss this opportunity to learn from industry experts and gain clarity on your next steps.

International Women's Day is coming this month on March 8

At Crecer Africa, we celebrate women who lead, inspire, and create impact every day. Through mentorship, leadership, and innovation, they lift communities and open opportunities. Empowering women strengthens everyone, and we are proud to support, amplify, and advocate for them.
